STATOTHR

Attention is invited to the three attached clip-pings:

STATOTHR

25X1C

(2) [redacted] story of today (8 Feb. 1962), quoting a press release by the "Reporter" magazine on an article by Sen. Symington critical of intelligence, regarding the missile strength of the Soviet Union. (The "Reporter" isn't due out for another week, but we are trying to get an advance copy.)

STATOTHR

(3) [redacted] regarding an underground movement to prevent resumption of atmospheric nuclear testing, in which your name is mentioned.
